To

The Chief Engineer,
P.W.D. (Irrigation),
BOMBAY-1.

Subject:- Retrenchment in the Public Health Circle.

Reference:- Govt. letter, P.W.D. No.RTR/1951-F, dated the 11/9/1952.

2. The Following posts ordered to be retrenched by Government, are being retrenched from 1/11/1952.

(1) One Overseer- Thana Sanitary Sub-Dn., KALYAN.

(2) One Overseer- Karnatak Sanitary Project Sub-Division, DHARWAR.

(3) One Tracer- Khandesh Sanitary Sub-Dn., DHULIA.

As regards the justification for 4 posts of Overseers in the Eastern Sanitary Project Sub-Divn., Nasik, I have to state that the same has already been offered to Government under this office No.A-1-9/B/E/10374, dated the 27th August 1952 (copy enclosed). Reply to which has also been received under Government letter, P.W.D. No. EST-1551-F of 19/9/52.

3. With the retrenchment of one Overseer in each of the above two Sub-Divisions the strength of Overseer in each of the Sub-Divns., will be as under:-

(1) Thana Sanitary Sub-Dn., Kalyan...2 Overseers.

(2) Karnatak Sanitary Project Sub-Division, Dharwar.....3 Overseers.

I am, therefore, afraid that, with this meagre strength, the progress of the various works under the execution must get a set back. This will be watched and Government will be approached, if additional posts are found essential.
